## Principal's Message

It has been a busy two weeks since our last newsletter. In celebrating the joy of Mathematics through Pi Day, our teaching staff and students working with and engaging closely with Mathematics consultant Michael Ymer and all of the learning happening in classrooms across SeeSaw has been a pleasure to be a part of.

### COVID – 19:

Firstly, I would like to thank all the staff at Rockbank PS for the hours of hard work and leadership during this ever-changing environment. As you understand, these are really challenging times, but in the end we are all working to ensure the safety and wellbeing of not only our students and staff, but our wider community.

There is a lot of information, but it is all focussed on the very important role schools need to play in both protecting the health of our students and staff and in supporting broader efforts to slow the spread of COVID-19.

Of prime importance is the continued employment of good hygiene practices. As a school we have payed extra attention to the health and hygiene measures employed across our school, in particular the provision of soap in school toilets and bathrooms. Please see the flyer on the following page in reducing your risk of corona virus.

### Clean Up Australia Day

Our students participated in Clean Up Australia Day on Thursday 12<sup>th</sup> March. Students were inspired and empowered to clean up, fix up and conserve our school environment and community. Our students unpacked packets of gloves as they took pride in cleaning up all areas of our school ground. We endeavour to make this part of our school culture as we build a cleaner and more sustainable environment for our community.

### Parking

Please ensure you follow all signage around the school as there continues to be several parents still parking in the three waiting bays at the front of the school. This holds up traffic into the street, which stops the natural flow of traffic at both pick up and drop off times. Further, only allow your young ones to enter and exit your vehicle only when you are parked as it is unsafe to do it any other

way.

### School Finishing Time

A reminder that the last day of school for Rockbank Primary School is Friday 27<sup>th</sup> at 2:30pm. Please ensure that you are at the school in time to pick up and we hope you all have an enjoyable holiday period with your families.

Enjoy a well deserved break.

## Meet Our New Staff

**Vicy Brne**  
Grade 4—6 Teacher

Hello to everyone in the Rockbank PS community!

I'd like to start by saying thank you so much to the students, staff, and families at Rockbank Primary for welcoming me with open arms!

This term has been amazing, I've loved getting to know everyone, especially the best class ever - 46B!

I love to teach and to learn

new things myself too! I'm always reading interesting books or online articles as well as listening to podcasts.

I spend as much time as I can travelling overseas. My most recent trip was to Vietnam where I learnt all about their food and culture from the amazing people I met there.

Music is also a very important part of my life – it makes me

so happy! I go and see bands play live when I can, or if not, I just turn the speaker up really loud!

My time at Rockbank so far has been so much fun! I'm excited to spend the rest of the year with this amazing community!

See you around the yard!

Miss Brne

## A Word from Wellbeing

### Wellbeing: Harmony Day

Our commitment to creating an inclusive environment at Rockbank PS includes celebrating Harmony Day on Thursday 26<sup>th</sup> March. Students are encouraged to wear National costumes of the colour orange to symbolise harmony and diversity. This is a wonderful opportunity to celebrate the rich multi – cultural backdrop to which Rockbank is now evolving into.

#### What is Harmony Day?

It is a time to celebrate Australian multiculturalism, and the successful integration of migrants into our community. Australia is one of the most successful multicultural countries in the world and we should celebrate this and work to maintain it. The day is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core values or Respect, Learning, Safe and Togetherness.

#### Why orange?

Orange is the colour chosen to represent Harmony Day. In tradition, orange signifies social communication and meaningful conversations. It also relates to the freedom of ideas and encouragement of mutual respect. In wearing orange, we show our support for cultural diversity and an inclusive Rockbank community and Australia.

#### Facts and figures on the Cultural Diversity of Australia:

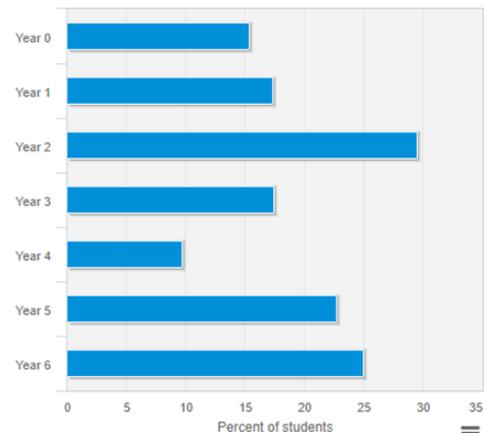

- Nearly half (49 per cent) of Australians were born overseas or have at least one parent who was
- since 1945, more than 7.5 million people have migrated to Australia
- 85 per cent of Australians agree multiculturalism has been good for Australia
- Apart from English, the most common languages spoken in Australia are Mandarin, Arabic, Cantonese, Vietnamese, Italian, Greek, Hindi, Spanish and Punjabi.

## FlexiBuzz Reminder

Sometimes we send targeted communications to specific classes. For example, for an upcoming excursion, we will only send reminders to the families of those classes attending the excursion. To ensure you receive all the correct messages, you need to ensure your communications groups reflect your child's year level in 2019.

Please check your box subscription in the app. You can do this by selecting the parallel lines at the top of the newsfeed then add/removing the boxes relevant to the information you wish to receive.
