POLICY

1. School profile

Rockbank Primary School has a current enrolment of over 300 students and is located in a rapidly growing suburb on the Western outskirts of Melbourne between Caroline Springs and Melton. Several new developments are within our Designated Neighbourhood Area, which will ensure that our population will increase significantly over the coming years. Our school vision, “Nurture. Believe. Achieve,” guides our strong academic focus and enables us to teach all of our students to enact our school values of respect, togetherness, learning and safety.

2. School values, philosophy and vision

At Rockbank Primary School we aim to provide a learning environment that supports the educational, social and emotional development of every child across all aspects of their primary school lives and beyond, so that they are better equipped to:

- make informed responsible choices throughout their lives
- make valuable and positive contributions to their community, and
- achieve their very best

Rockbank Primary School takes a whole-school approach to creating a positive, safe and supportive school climate in which all students, including students with additional needs, can learn and develop. We follow a School Wide Positive Behaviour Support (SWPBS) model. One of the essential features of this model is to clarify expected behaviours. We proactively teach these behaviours and most importantly, they show students how they can be successful. Students, staff and members of our school community are encouraged to live and demonstrate our core values of We are Respectful, We are Learners, We Value Togetherness and We are Safe.
